MKES since its inception in 1942 has been contributing to the society in the field of education. Over a period of time, it has evolved as a leading educational institution having Schools, Junior College, Degree College offering undergraduate programmes in Liberal Arts, Commerce, Science, Management, Mass Media, Information Technology, Banking and insurance, and Post Graduate programmes in Liberal Arts, Commerce, Information Technology and Geoinformatics.

We have in this year 2023 launched MKES-Institute of Management Studies & Research (MKES-IMSR) which is a Business School offering a two-year full-time Post Graduate Diploma in Management (PGDM) with specialisation in Finance / Financial Management, Marketing, Business Analytics, Human Resource & Entrepreneurship which is approved by the All-India Council for Technical Education (AICTE), New Delhi. I have been associated with various MBA colleges in Mumbai for the last 20 years. This has enabled me to share my experience with the students guiding them to the advantages of an MBA. I was fortunate to establish three reputed Business Schools in the city of Mumbai. As a counsellor, I have been conducting Career Counselling Sessions at various colleges and coaching centres across Mumbai. We have been guiding the final year students who are interested in pursuing their MBA and who are confused about whether they should pursue an MBA or not.

We request you to kindly grant us permission to conduct a 1 ½ to 2-hour career counselling session on any date and time suitable as per your regular timetable and schedule for the final year TY degree students. Looking forward to a positive response from your end.
