BUSINESS ECONOMICS DEPARTMENT

2018 - 2019

A department should conduct meetings at which faculty exchange ideas for the well-being of the department. In the College of Commerce, there are mainly five departments that are Accountancy, Business Economics, Commerce, Banking and Finance and Management. Every department is required to conduct departmental meetings at least once in each term. These departmental meetings present an excellent opportunity for such interchanges. Discussion regarding teaching, student counselling, curriculum building and updating, and future plans of the department, including faculty needs and material support, should be free and untrammelled during these meetings.

A list of agenda items available before the meetings allows for proper consideration of questions before decisions are reached.

Copies of the minutes of the departmental meetings are sent to the Principal for his preview and suggestions. (if any). In addition to the date, the minutes should include an indication of the chronological order of the meetings.

It was observed that

- Students are sincere at FY B com Sem II was Very Good. While students' performance of SY B Com is reducing slightly but still the results seemed better than the previous semester.
 - Students of TY B. Com was in 90%. For student calibre we have it was really incredible. All subjects of TY B. Com Sem VI were showing similar pass percentage.
 - Thus, in comparison to last year, this batch had coped up with Business Economics subject and were doing well.
 - Students who took up Part-time jobs in different sectors due to their personal problem, did not show any improvement in their subject knowledge.
 - Very few students started the practice of visiting libraries and reading the Economics Times newspaper to improve the Knowledge the filed of Economics.
- The committee after a brief discussion suggested measures for the improvement of students' performance-
 - Prof. V. Manikandan suggested that Smart notes being used for construction of diagrams so that F Y.Com & SF student can understand the different curve of perfect comparative, monopoly, monopolistic competition & oligopoly market. After a brief discussion between the members the same was unanimously agreed.
 - In order to improve the understanding skills Prof Sunita Yadav suggested that the group discussion or Role play method be adopted to understand the topic of circular flow on National Income and students should be shown Role play act in a classroom. The suggestion was accepted.
 - As all the points were discussed Prof. Rupa Gaud proposed the vote of thanks.
 - The resolution was passed, and Minutes was unanimously approved by all. Copy was sent to the IQAC for further necessary action.
