Subject: "" Session for Career counselling and preparation for CET" - A Seminar on Campus Recruitment, off campus jobs and options to explore after Graduation."

Dear Sir / Madam,

This is with reference to the conversation , for a **"Career Opportunities "** session for your Final year Degree Students.

Akademia is promoted by a group of Management Professionals with more than collective 200 years of experience. The CEO of Akademia is the former CEO (Director)-Test Prep of leading Test Prep Company and has been in the MBA industry for last 20 years. He has been faculty with SPJain for more than 15 years. In addition- Akademia has had association with Symbiosis Institute of Management Studies for a Training Program- Eco-Injection'

Risk Management In education: Every student – irrespective of his chosen field (BCOM/BBI/BMS/ BAF) runs the risk of messing up his career after graduation. The concept of Risk management (that involves transfer of risk or mitigation or elimination of risk) is hall mark of Akademia (a not for profit to create risk less /risk free careers).

With our comprehensive session, students can get a clear view of the various career opportunities available to them after their graduation. In the current situation with the number of career choices increasing in leaps and bounds, students get confused and invariably have risks with the options they should choose from, whereby leading to a wrong choice.

With our professional approach in resolving issues related to the career path through the Risk Management Module, it would help the students map the current market requirements with the interest they persist. The industry today is looking for individuals that are dynamic and capable of handling different roles in company or an organisation. The concept of Risk management (that involves transfer of risk or mitigation or elimination of risk) is hall mark of Akademia.

There are more than 3800 b-schools in India with brand & well-established names a lot of small time players have emerged to tap the need for quality education for a master degree however in this boom, there was a serious lack of guidance for the students. In this view we as an organisation felt the need for career guidance towards, a better future for the students.

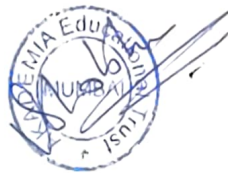

We hope to hear from you soon with the available dates for the seminar. I am sure this session would add value to the students and create a stepping stone for their success.

Thanking you,

Shobha Sharma

Subject: Career Guidance workshop 2019 for students in final year graduation

Dear Sir,

St. Francis Institute of Management and Research, Borivali is organizing **Career Guidance Workshop 2019** for students who are in their final year of graduation.

In the Career Guidance Workshop training will be provided by the Academic & Industry Experts about how to crack MBA Entrance test like, CAT, CMAT, CET, XAT, ATMA, MAT etc. This training is useful for students to build their quantitative ability and verbal ability. This will be a general training for building students confidence and ability for aptitude tests.

The sessions for that will be starting from **5th January, 2019 till 9th March, 2019**. Time will be from **3.30pm to 5.30pm**. Two of your faculties are invited as a guest of honour at the inauguration ceremony.

On Saturday, **09th February, 2019** **MOCK CET Test & Seminar 2019** is also organized by the Institute for registered candidates at 2.00 to 5.30pm. It will be a demo test and by this students build their confidence before their actual MBA entrance test.

Please send students from your college who are in final year graduation. For More Details please see the attached schedule. For any queries & registration please feel free to contact me or Mr. Nilesh on 8408073486.
