"At Matushri Pushpaben Vinubhai Valia College, I came across numerous amazing personalities. The time spent was the best time, wherein it utilized both my talent and improved my skills. All the faculties were supportive and knowledgeable in their respective fields. There are many opportunities to explore at M.P.V. Valia college. The college made me grow in communication skills and even groomed my overall personality. I made many good friends who were helpful throughout my career. My journey at M.P.V. Valia College was inspired by many people around." Right Now, I am a teacher by profession and an Entrepreneur baking cakes and teaching many students about a variety of cakes. Which makes me self-dependent.

MR. NATHAN KAMBLI

I believe college is to learn skills to get a job. Young people should have a plan about the kind of career they would like to have or the life they'd like to lead, and the things they need to learn or do to get there. See what the prospects or future job market are like. Be realistic. All these things were made clear to me during the time I was studying at Matushri Pushpaben Vinubhai Valia College. Currently, I am a managing Director at Money2 me Finance Private Limited. It is Non-banking financial institution engaged in giving Loan against shares on the same day.

"I'm proud to say that I'm a product of Matushri Pushpaben Vinubhai Valia College. It is the best college in Borivali. The study-life balance is maintained very well by the college. The teachers are very helpful in understanding and solving our problems. The college and teachers arrange a lot of Co-curricular activities to let us know about the actual work instead of just giving theoretical knowledge. They also explain the concepts by taking examples from the current day-to-day activities. The college also celebrates most of all festivals which are helpful to relieve the stress of studies. I will highly recommend M.P.V. Valia college to others." I passed the SET Exam and am now pursuing a Ph.D. (Mumbai University). Currently, I am working as an Asst. MR. RAJESH RATHATHA

Our esteemed College, Mani Sir, and all the teachers & support staff have always provided us great support throughout the 5 years. That's one of the main reasons why the physical disability (Duchenne Muscular Dystrophy) couldn't inhibit the academic progress. It's thanks to all I was able to come 1st in the whole of Maharashtra (Handicap category) in XIIth boards (2008-09); apart from regular college topper. With the grace of God, support of parents & good wishes of all; i could then go on to:

1. Become a Fully qualified Actuary (all papers passed, it's one of the toughest courses in India today)
2. Stood 1st in India in the final Actuarial paper (Subject SA4 - Pension & Other Employee Benefits)
3. Worked for Kotak Life insurance from home for 2 years, before health issues prevented further working
4. Am now actively involved in various voluntary sevas with the Brahma Kumaris organisation (in particular, writing spiritual articles & quotes for the benefit of all; enclosing one of my best article herewith - <https://www.foodforthoughts.co.in/what-is-spirituality/>) The help, support & co-operation by the College always will never be forgotten!
